### Members and Sponsors

---

#### RESOURCES FOR OUR REGION

Attendance at Winterthur is growing, more families are visiting than ever before, and our members and sponsors are enabling us to increase our reach into the community. At the same time, important work goes on behind the scene to educate tomorrow's curators and conservators; preserve cultural treasures; conduct research; publish in the field of decorative arts; and care for nearly 1,000 acres of garden and rural landscape. The support of members and sponsors enables us to make significant contributions to the cultural, educational, and economic life of our region.
