STATEMENT

Along with this application form, please provide a brief, one-page statement indicating why attending Winterthur Institute, which is a graduate level course, is particularly appropriate to your development at this time. Please also describe how you intend to use your expanded knowledge of the decorative arts.

FINANCIAL ASSISTANCE (if applying for scholarship): On a separate page, please explain your financial need. Also, inform the person writing the recommendation that you are applying for financial assistance so that he/she can address this issue in the letter. Competition for scholarship assistance is keen. We would not like to deny you a place in Winterthur Institute solely because we are unable to offer financial aid; please think carefully about whether you can arrange for other financing.
