

NEW WINTERTHUR POINT-TO-POINT ONLINE TAILGATE PARKING AND TAILGATE WRISTBANDS SALES AVAILABLE

Web-based Option Makes it Convenient to Purchase Tailgate Parking Spaces and Guest Wristbands

WINTERTHUR, DELAWARE—Choosing and purchasing the best tailgating locations at Winterthur's Point-to-Point, the region's most stylish spring sporting event, can be done with the click of a mouse thanks to the new online purchasing program and mobile app WINTERTHUR debuting this year. The option, <https://ptptailgate.com>, marks the first time in the steeplechase race's 38-year history that tailgate parking spots and accompanying tailgate wristbands can be conveniently ordered online and from your mobile phone!

"Point-to-Point is a professional sporting event and large entertainment venue, the second largest professional sporting event in Delaware. Because today's retail sales environment is online and smart phone driven, it is not only a convenience for our customers, but necessary for our supporters to be able to make their Point-to-Point purchases as easily as possible," said Race Director Jill Abbott. "For those new to the event or needing direction or assistance, we are still available for customer service by calling 302.888.4994."

Holders of Lifetime Rights for a tailgating spot also can manage their location using the new web option and mobile app. Programming developed by nGage Me Company of West Chester, Pennsylvania, the web option and mobile app include a map of the Point-to-Point grounds and tailgating sections with helpful navigation instructions. Each tailgate spot comes with four adult wristbands. A limited number of Premium Parking Passes will be available for sale on this new site and mobile app as well as on the Winterthur website, Winterthur.org/ptp.

General admission wristbands will continue to be available on the Winterthur website, Winterthur.org/ptp. General admission wristbands include access to all race day activities, free remote parking on Winterthur grounds, and the option to picnic on the infield hill overlooking the race track and finish line. General admission wristband holders do not have access to the tailgating areas. Gates open 10:30 am for tailgate and premium parking and 11:30 am for general admission. Gates close at 4:00 pm.

This year's Point-to-Point falls on Mother's Day, Sunday, May 8. Treat your mom to the most stylish Mother's Day ever using the convenient, online and mobile app Point-to-Point purchasing option.
